A journal publication is cited as in [2].

Sometimes, however, only an article in a book is referenced [3].

As in page 1 in the section 1, the dummy text is used here.

There are also old books that are quite nice to read, such as [1].

More modern are blog entries, like the following one about taxes and statistics [5].

Lorem ipsum dolor sit amet, consectetuer adipiscing elit. Etiam lobortis facilisis sem. Nullam nec mi et neque pharetra sollicitudin. Praesent imperdiet mi nec ante.
